DETAILED ACTION

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The following change has been entered by examiner's amendment to place the application in condition for allowance:

In line 1 of claim 12, "The" has been changed to --A--.

This application is in condition for allowance except for the presence of claims 1-9 and 20-29 directed to an invention non-elected without traverse. Accordingly, claims 1-9 and 20-29 have been cancelled.

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:
It does not state that the person making the oath or declaration acknowledges the duty to disclose to the Office all information known to the person to be material to patentability as defined in 37 CFR 1.56. The declaration refers to a duty to disclose information which is material to "the examination" of the application in accordance to 37 CFR "1.56 (a)."

Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth in the above paragraph. The substitute oath or declaration must be filed within the THREE MONTH shortened statutory period set for reply in the "Notice of Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.

Allowable Subject Matter

Claims 12-19 are allowed.
